21. Travel Policy

****Policy Number:**** #FIN-TR-ALPHA-22. All business-related travel must be pre-approved by the department manager and booked via the Concur travel platform. Business class flights are permitted only for continuous flights exceeding 8 hours. Lodging expenses are capped at \$250 per night in major metropolitan areas, and meals are reimbursed up to \$75 per day on a receipt-matching basis. Alcohol is not eligible for corporate reimbursement.

22. Expense Reimbursement

Expense reports must be submitted through Concur within 30 days of incurring the expense. Original receipts are required for all transactions exceeding \$25. Approved reimbursements are processed and disbursed on the first pay cycle following approval. Late submissions (older than 60 days) will be rejected and the expense must be absorbed by the employee.
