25. Customer Support Process

Patient support is managed by the Patient Relations team via our hospital patient feedback loop:

1. **Inquiry Ingestion:** Patients contact support via `patientrelations@apexhealth.org` or direct patient helpline (Ext. 2115).
2. **Verification:** Patient identity is verified via date of birth and medical record number (MRN) before any clinical information is discussed.
3. **Escalation:** Patient complaints regarding clinical care are escalated directly to the Director of Nursing, Margaret O'Connor.
4. **Resolution:** All patient inquiries must be resolved, documented, and closed in the Midas quality system within 5 business days.
